

WINE LIST

The Maple Leaf Grill and lounge strives to provide an excellent Canadian dining experience. Our distinctly Canadian cuisine tells a story of the bounty of our vast landscape and the diversity of its people. Our wine list has been created to add another chapter to our restaurant, by complementing the cuisine with the finest Canadian and International wines available.

We, as a unique Canadian restaurant, are constantly seeking out the finest Canadian wines that highlight the superb quality that is emerging from the Okanagan Valley in British Columbia to the Niagara Peninsula in Ontario. As a result, we are proud to offer one of the most extensive selections of Canadian wines anywhere. These wines are served alongside an exciting array of wine regions from around the world. With more than 600 wines available, including over 200 from Canada, we look forward to assisting you with your selection and creating a memorable Canadian dining experience.

CANADA - ICEWINE & LATE HARVEST WINES

Icewine is something that Canada does particularly well due to its cool climate. Grapes are left on the vine until temperatures are cold enough to freeze them, then they are pressed. This process concentrates the sugars and fruit components, resulting in a delicious sweet dessert wine with flavours of candied fruits, citrus and marmalade. The perfect way to finish your meal!
